

EMMANUEL LUTHERAN CHURCH

THE HERALD

Emmanuel Lutheran Church will be a place filled with the Holy Spirit where people are coming in to be sent out: Focused on changing hearts and changing lives for a better world.

January 2020

FROM THE PASTOR'S DESK

It's been a beautiful winter so far this season. It hasn't really been that cold and not much snow has fallen on the ground. We have been blessed. But the truth is that we know what is coming! There are going to be snowstorms (in fact, there might even have been one since I wrote this Newsletter article!) There are going to be frigid days ahead. Because we live in Iowa and even a mild winter has cold days. God also promises that our lives will have difficult days and difficult times no matter how blessed we are. There is a great scripture passage in 1 Peter 1:3-9 that talks about these trials in our life.

"For a little while, you may have had to suffer grief in all kinds of trials. These have come so that your faith—of greater worth than gold, which perishes even though refined by fire—may be proved genuine and may result in praise, glory and honor when Jesus Christ is revealed." (1 Peter 1:6-7)

Have you ever thought of the trials in your life in this way? As something God uses to refine and prove that your faith is genuine? I think that many of us have experienced such a thing when we go through something difficult and find ourselves crying out to God for help, but then experiencing His power and presence in our lives. In fact, many people come to faith because they find God in the challenges they face

in their life. While we see obstacles and challenges in our life as problems; God seems to view them as opportunities to strengthen our faith in Jesus Christ!

I promise you that I am not looking forward to freezing temperatures, scooping snow or icy sidewalks. But I know that this kind of weather plays a role in our life here in Iowa as well. The snows melt and provide needed moisture in the Springtime to replenish the water table that will help the crops grow. The storms force us to stay inside and stop working for a little while to spend important time with our family no matter what work has to be done. The cold days remind us of the blessings we live with every day: a roof over our heads, clothes to put on, heat to help us survive. We might go through life unaware of God's provisions if it were not for those hard days that remind us how loving He is to us.

In the same way, I encourage you to see the trials in your life as important as well. Nobody likes to deal with sickness or sorrow, but it's part of being alive. And God can use these circumstances to make you remember His great love, His healing touch and to experience a renewal of your faith. Keeping this mindset can also help you when your family or friends are struggling with "why" they are struggling in

their life as well. Sometimes it's hard to see any meaning in our suffering at the time, but a good friend can help us see how God uses all things for the good of those who love Him.

Eventually, the winter will be over. The Spring rains and warmer weather will return. The sun will start shining for longer each day and we will be able to wear shorts, t-shirts and flip flops again. We will be more worried about sunburns than wind chills. We will have survived another Iowa winter and realize that warm weather doesn't last forever so we ought to get out and enjoy it! In the same way, I encourage you to appreciate the blessings God has given you in your life. Especially when times are going well, give Him thanks for what you have: good health, good food and great family and friends. Trials are sure to come in all of our lives, but so are joyful experiences and peaceful times.

Sometimes it takes the dark winter days to remind us of the blessings of the sun. And sometimes it takes the challenges in our life to recognize the presence of the Son, Jesus Christ our Savior. Amen.

-The G.R.O.W. kids will be packing shoeboxes this Wednesday night. We are still looking for donations & adult help.

-Confirmation

-All 11 of our Confirmation kids attended the Recharge event at Ingham-Okoboji Lutheran Bible Camp. Pastor Broers, Ann Rohner, and Jeremy Rohner were the chaperones. The theme was "Power-Up" focused on the Holy Spirit while utilizing video game ideas. It was a great event.

-There is no G.R.O.W./Confirmation/High School Bible Study the Wednesday night before Thanksgiving.

Old Business:

Adair County Emergency Management personnel have asked permission to designate our church as a shelter in case of an emergency. The church council has sent the Memorandum of Understanding on to Grinnell Mutual Reinsurance (our property/liability insurance company) for their approval. We have not heard back yet.

Mission Update—Pastor Broers has produced five You-tube videos so far. They are another way to reach out to members of our congregation about what's happening in our

church and keeping everyone informed. These videos can be shared with friends and neighbors as a great way to reach out and spread the Word of God. The Youtube videos have been well received.

We have been blessed with another great month at G.R.O.W. serving God and serving the children of our community. God is good! During the month of December, we hopped all over the New Testament learning about how God rejoices over us when we return to Him like in the story of the Prodigal Son. We also learned about the amazing moment of Jesus' transfiguration. Lastly, we recalled the events of the night Jesus was born. It was a month filled with so much importance!

Along with our ongoing theme of "Respect", this year's theme is "Grace". November & December's month memory verse was from Hebrews 4:16, "Let us therefore approach the throne of grace with boldness, so that we may receive mercy and find grace to help in time of need." It is our prayer that through working as a family to memorize these verses for a whole month, the kids might have these verses to rely on when facing day-to-day problems and to refer to in how to treat one another.

G.R.O.W. is taking a slight pause for winter break, but will resume on Wednesday, January 8th.

G.R.O.W. families – Save-the-Date! On Wed., Feb. 19th, we will be having our annual February-Fest Family Fun Night! We will be taking a break from our regular routine for a night of fun! In the past we have had a Hawaiian night, the G.R.O.W. Round-Up, Super-Hero fun, Pirate night, a night at the Winter Olympics, and a visit to the Zoo. Come and enjoy some food, games, and fun for the whole family!

Lastly, just a reminder – if school is cancelled due to bad weather, G.R.O.W. will also be cancelled. We will post the news on our Facebook page, so make sure and like us on Facebook.

G.R.O.W. is on Wednesdays from 6:00-7:30 p.m. Please invite your children, grandchildren and neighbors to come learn, sing, eat and have lots of fun while growing in their faith lives! Please continue to keep the G.R.O.W. children and volunteers in your prayers as our year continues. We want to see seeds planted, lives changed, and God shining through all of us. Thanks!

I know - Summer seems like a long ways away right now. Especially as the first major snow storm of the season hits the upper Midwest! But it never is too early to start thinking about the possibilities of what summer might bring!

As a junior or senior in high school, did you know you can spend your summer working at camp? Each year we hire around 60 young adults to be part of our summer counseling staff. As a Junior Counselor, you would be part of that team!

What are some of the things you would get to do as a JC? Great question!

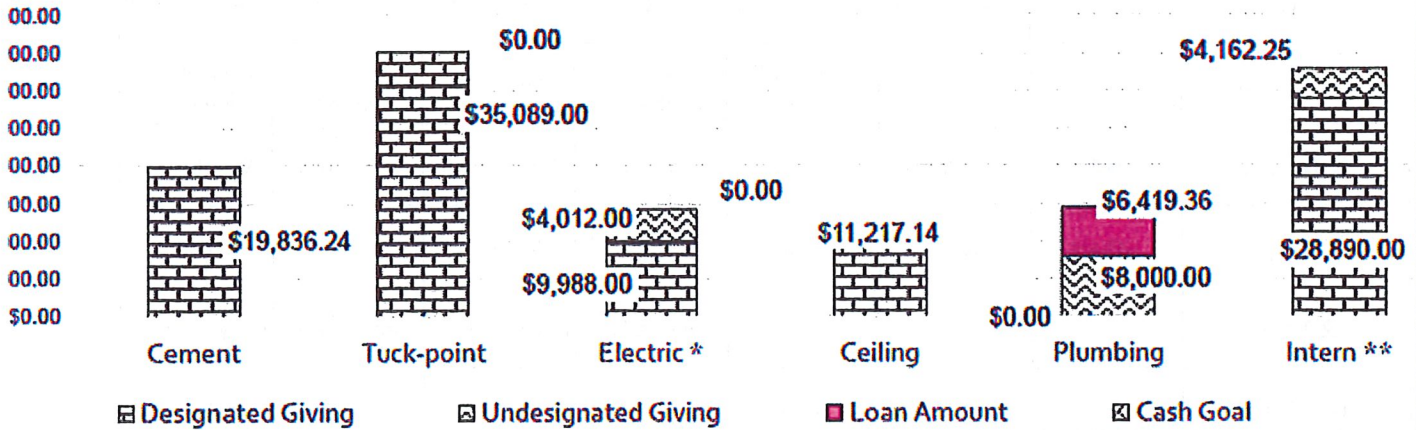

- Work with families attending Family Camp with kids of all ages.
- Be part of skits, leading Bible studies, leading worship, and leading various recreation activities.
- Have the option of attending a week of camp for Senior High campers free of charge!
- Live on site at our Okoboji location with other summer staff and be part of a great community.
- Be part of summer staff training prior to summer campers arriving.

And so much more!

Consider joining us for an unforgettable summer making a difference in the lives of campers and their families.

Applications are now open and being accepted.
