## THE HERALD

*Emmanuel Lutheran Church will be a place filled with the Holy Spirit where people are coming in to be sent out: Focused on changing hearts and changing lives for a better world.*

July 2019

### FROM THE PASTOR'S DESK

Time can really fly and sometimes it's good to take a moment and recognize all the gifts that God has blessed us with that we wouldn't normally notice on any given day. One area that I would like us to focus on this month is the gift that God gave us when he sent Vicar Tony to be a part of our internship program. If you weren't aware, Tony will be continuing to serve our congregation throughout the month of July with his final Sunday being July 28<sup>th</sup> (There will be ONE special service that day at 10:00 followed by a potluck to celebrate this occasion). After that, Tony will be seeking out a call as a pastor at a church and, once he has received that call, he will be able to be ordained. I pray that you will take some time this month, if you haven't already, to tell him thanks for serving here and sharing his life and his gifts with our community both inside and outside of the church.

When you begin to look back, this process has taken years to accomplish. Two and a half years ago, at the beginning of 2017, I felt God inspiring me to talk to you all about a Vision for our Giving as a church. Both in giving to support our Property improvements as well as giving to support our Missions outside of the church. There were many possibilities that filled my heart and mind and I wanted to help our congregation imagine what God might do with our time, talents and treasures. One of those ideas was to support a pastoral intern.

After some time passed, we formed a Stewardship ministry team that would be able to think through the many possibilities together and bring forward a plan to the Council for approval. That was when the idea of hosting a pastoral intern rose to the top. After the Council agreed that we should look into this possibility, we began searching for possible people to serve here and had many conversations with seminaries and other

pastors in the area about finding the right person. A little over a year ago, I still wasn't sure if it was going to happen because we hadn't found the right person and, usually, internships start in the Fall, but then Tony responded to the call and everything just seemed to start coming together. After talking with him over the phone through a couple of interviews, he seemed to have a heart for ministry and outreach, a desire to serve and a willingness to experience both a Traditional and Contemporary service. Tony began serving here at Emmanuel August 1<sup>st</sup> of 2018.

But even though we found the right person, none of this would have been possible without the generosity of our whole congregation. We needed to support Tony throughout the year which meant paying for his housing, a monthly stipend and extra things like moving expenses and mileage reimbursement. That was all over and above what we had budgeted for the year. Your support of the Vision for Giving both with Undesignated Vision funds and specifically for Vision funds for Mission helped make Tony's ministry possible. In addition, we used some of our Quarterly Benevolence giving to make it possible for him to come as well. Not only did your giving help support him throughout the year but you allowed him to be able to serve our church and the community around us.

Finally, you did not simply give of your money, but you supported this ministry through your time and talents. We had a Vicar Support Team made up of Brenda Plymness, Ed Christensen, Steve Scar, Judi Raasch, Judy Nelson and Roleen Chiles who met throughout the year with Tony and gave him good feedback to help him grow in ministry. Their commitment to him on behalf of our congregation was such a blessing!

### Pastor's Message cont'd from page 1

In addition, many of you took advantage of Tony's wonderful Bible Studies and the Alpha Course which he organized. I also pray that you enjoyed and were inspired by his messages on Sunday mornings throughout the year or were able to visit with him and learn about his call to ministry. Even outside of the church, Tony has been very busy getting involved with the Lions Club in town and, especially with the Boy Scouts. Who could have imagined that the work God began two and a half years ago would have grown into such a rich and full ministry?

As you take time to appreciate what God has done, please thank God and thank Tony for being a part of the ministry here. God has really helped Tony grow as a pastor and has helped us grow as a congregation. I pray that you continue giving generously from your time, talents and treasures so that you can join God in making a difference in this community through Emmanuel Lutheran Church. God bless you all and thank you for all that you do! – Pastor Broers

## Putting our faith in God by Vicar Tony

Putting our very life into the hands of God is something that is not easy for anyone. I am thinking about this right now because I am facing this situation as I come to an end of my stay with you. This is a bitter-sweet experience for me. I already miss all of you. Everyone is asking me, "do I know where I am going." As of the writing of this article, I do not, which is not easy for me to say.

My entire life I have planned exactly what I was going to do. I planned everything: what school I was going to attend, my career path. I planned exactly where I was going to live and who I was going to share those experiences with. But then God would laugh, and I would do what God planned for me. Such as, I never planned on going into the ministry.

It is like the story of Jonah. God had a plan for Jonah. But he ran away because he didn't want to do what God wanted him to do. Jonah found himself in the belly of a fish (not a whale) and then on land next to where God wanted him to go in the first place. As always God got His way and Jonah had to obey.

We all can share stories in our lives that resemble Jonah's story. Whether or not we obey or not God gets His way. We know what God wants us to do and wants only the best for us. So why resist? The Bible tells us that He loves us and knows all things. Therefore, for us to try to take control of the situation is senseless. We can only mess things up.

Some of us have been conditioned not to have faith because too often our trust has been betrayed by some of the people in our lives. I have had my fair share of disappointments. This is sad and most unfortunate. But it must not deter us from trusting in God.

But how do we know what God's will is for us? That is not an easy question to answer. My only advice is to pray on it. Resist the temptation of impulsive decisions. Ask God for His guidance. Church services, Scripture readings, Bible studies, and sermons are meant to open God's word to us and guide us as to what is God's will. The one book in the universe that tells us who God is and what He wants for us is the Bible. The Scriptures have the answers as to the meaning of life and what God desires for us.

Do we have to memorize the Bible? No! But daily Scripture reading will reveal the answers to our questions. From Genesis to Revelation God has given us the answers to what is right and what is wrong. He has given us the answers to how we are to behave in various relationships. Such as from the stories of, Adam and Eve, Cane and Abel. Moses defending the faith against persecution. Abraham's display of unconditional faith in the Lord. The mess that David created and eventual repentance. And most of all Jesus' teachings in the Gospels and the interpretation and application in the letters.

The question most pressing my mind right now is where am I to go? So, I look to the Bible and think of the story when Jesus called His disciples.

"As Jesus was walking beside the Sea of Galilee, he saw two brothers, Simon called Peter and his brother

Andrew. They were casting a net into the lake, for they were fishermen. "Come, follow me," Jesus said, "and I will send you out to fish for people." At once they left their nets and followed him. (Mat 4:18-20 NIV)

The disciples did not question Jesus, they just followed. And we should do the same. I must do the same. As we put our trust in God, although at times it is not easy, we can keep in mind that God is all knowing, and all loving.

My prayers are that we can all learn from God's Word, trust the Lord completely and turn our lives over to God. Amen
