### FROM THE PASTOR'S DESK

In the gospel of John, a man named Nathanael doubted whether Jesus could possibly be the Messiah. His friend Philip told him, "Come and see!" Notice how Philip didn't spend his time explaining or arguing with Nathanael. He trusted that if Nathanael experienced Jesus himself, Nathanael would be convinced by Jesus.

In the past, I have always considered the concept of asking people to "Come and see" to be a great evangelistic tool. You don't have to argue or convince someone to believe in Jesus. Just bring them to church so that they can meet the people within the community and experience the music and hear the message! God should be able to create faith in someone's heart all on His own.

But I have noticed a problem with this idea of "Come and see" . . . fewer and fewer people, even longtime committed members of our church, attend worship regularly. I don't think that this means that people have stopped believing in Jesus, but Sunday worship doesn't seem to be where they desire to hear about Him. Of course, people still attend, but not nearly as often.

And if people are not "coming in" to the church building, how are we to "send them back out" with God's message? How are we to teach our children about God's love and help them to learn God's laws? If someone isn't coming to church very often, they probably won't be bringing friends with them either. So how are we to make disciples and be a part of God's growing kingdom?

A bank robber named Willie Sutton was once asked why he robbed banks. Sutton supposedly answered, "Because that's where the money is." In medicine, Sutton's Law states that when diagnosing a problem, you should start with the obvious answers. If people aren't as likely to attend church as often, perhaps we should find out where they *are* going and encourage people to "come and see" Jesus there!

According to the website "Our World In Data", in the year 2019, 1/3 of all people *in the world* use social media platforms such as Facebook, Twitter and Instagram including 2/3 of all people using the internet. That's a lot of people (3.5 billion to be exact). In 2018, the average number of hours spent on digital media was 6

hours a day. More specifically, "according to the Pew Research Center, adults 18 -29 are more likely to get news directly from social media than newspapers or news sites and report being online almost constantly."

I have heard stories about Fontanelle in the 1950's where the square was packed every Saturday night and church was full every Sunday morning. That was the time each week when people interacted with one another, learned about what was going on in the community and shared their opinions. The weekly sermon was talked about throughout the week. Now most of those conversations are happening online. If that's where the people are, we need to make sure that we have a presence online as well so that we can be a part of sharing Jesus with them.

We can invite them to "come and see" an online YouTube Bible study. We can invite them to "come and hear" the weekly sermon as a podcast that can be subscribed to.

### **Pastor's message cont'd from page 1**

We can invite them to give online with the click of a button. We can invite them to share their stories and opinions within a Facebook group. And as we become more and more connected during the week online, maybe we will be more likely to want to see each other IRL (in real life) at church on Sundays.

Jesus is still in the business of changing peoples' hearts and minds. We are still saved by faith in Jesus Christ alone. But how are people to hear about the gospel unless somebody tells them? And how are they to hear when one of the only places we talk about our faith is at church and they aren't there very often? Starting in November, we will be doing a lot more things online as a church. Please follow our Facebook page and get involved in one of the groups starting there by reading, commenting and even adding content. Follow us on Twitter or Instagram if that is the platform you enjoy! Make sure that the church has your correct email address so that you can receive the weekly announcements and your newsletter electronically. Sign up to donate online so that you can support the church activities even if you miss a Sunday (or forget your checkbook). Like and Subscribe to Emmanuel Lutheran's YouTube channel! Give us feedback and share links with your friends so that they can "come and see" how Jesus is working in our community both within the church building and online. Amen.

Thank you, God, for G.R.O.W.!

Being thankful is something we all tend to focus on this time of year and this year is no different. It takes a village to make G.R.O.W. work. We need teachers, helpers, music leaders, activity leaders, technology people, kitchen workers, grocery shoppers, treat makers, sheep sponsors, and a congregation filled with people that pray for the program. I am so thankful to say that we have all of those things! A HUGE thank you to all of my G.R.O.W. volunteers who share their time, faith, and love with the youth in our community! You are a blessing! Another big thank you goes out to the kiddos that come and the parents who bring them! Things are going really well and God continues to fill our church with youth each week that are hungry to hear about Jesus. Like I said, we have so much to be thankful for! To those of you who have felt called to "Sponsor a Sheep" – THANK YOU SO MUCH! We are averaging around 46 kids at G.R.O.W. each week and have 51 sheep currently sponsored. What a huge outreach to the kids in our community!!! If you haven't yet sponsored a sheep, please prayerfully consider doing so.

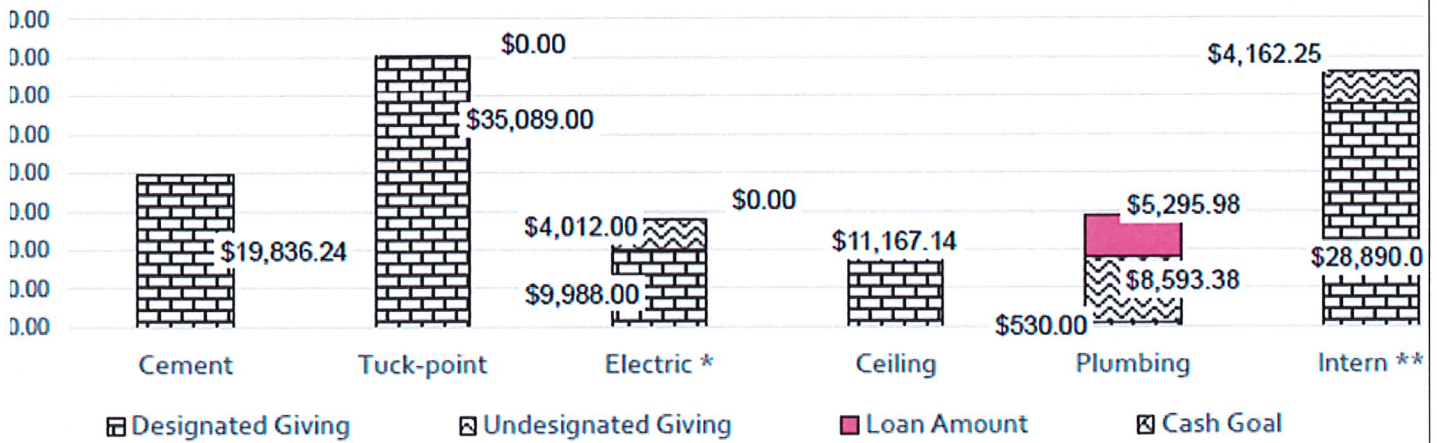

The G.R.O.W. kids have been working through the New Testament this year. In October we learned about the parable of the Sheep and Goats and how Jesus calls us to look for those in need. We also learned about the parable of the Mustard Seed and how Jesus said, "Let the little children come to me." We learned about Peter's faith when Jesus asked him, "Who do you say that I am?". We came to understand that the first must be last and servant of all. Finally, we learned about the widow's offering and the importance of giving. It was a great month of learning! Along with our ongoing theme of "Respect", this year's theme is "Grace". September's month memory verse was from Ephesians 2:8, "For by grace you have been saved through faith, and this is not your own doing; it is the gift of God." It is our prayer that through working as a family to memorize these verses for a whole month, the kids might have these verses to rely on when facing day-to-day problems and to refer to in how to treat one another.

G.R.O.W. is on Wednesdays from 6:00-7:30 p.m. Please invite your children, grandchildren and neighbors to come learn, sin have lots of fun while growing in their faith lives! Please continue to keep the G.R.O.W. children and volunteers in your prayer continues. We want to see seeds planted, lives changed, and God shining through all of us. Thanks!

It's the most wonderful time of the year! That means it's time for our youth to start working on preparing for the Christmas Program on Dec. 24th. If you'd like your child to be in the program, please contact Kristy Broers (745-0637) and let her know so that we can make sure everyone gets a part. Also, please make sure your child is at each program practice. Practices will be held Sunday mornings from 9:40-10:20 beginning Sunday, Nov. 10th upstairs by the G.R.O.W. rooms. **The Dress Rehearsal will be scheduled once we start and can agree on a time that works for everyone.**
