FROM THE PASTOR'S DESK

"Woe to those who call evil good and good evil, who put darkness for light and light for darkness, who put bitter for sweet and sweet for bitter. Woe to those who are wise in their own eyes and clever in their own sight." Isaiah 5:20-21

I have heard the term "gaslighting" a lot in the last few years and I never really understood what it meant until recently. It's a term that refers to psychological manipulation where a victim is fed false information deliberately and systemically until they begin to question their reality and even their own identity. The goal of gaslighting is to control a person so that they doubt themselves and their own understanding of the world.

I believe that Christians especially are being "gaslit" by the culture we live in. Things that our society has always accepted as true in the past are now not only being questioned but are said to have completely changed. Many people argue that there is no such thing as objective "truth" anymore; instead, "truth" is based on each individual's interpretation. It's important to recognize when this is happening and push back on the idea that things have changed when they really haven't. Christians believe that truth is decided by God alone and we live according to that truth.

For example, many people today argue that there are no longer only two genders but thousands of possibilities. Furthermore, it is argued that being male or female is no longer

a fact but can be decided by each individual person and how they self-identify. This self-identification can change over time. I believe that there is a very clear biological argument against this concept of gender identity, but there is a biblical one as well.

Genesis 1:27 says, "So God created man in His own image, in the image of God He created them; male and female He created them." The Bible only speaks of two genders. In Genesis 25 in the account of Jacob and Esau, the Bible says, "Esau became a skillful hunter, a man of the open country, while Jacob was a quiet man, staying among the tents." Esau might have been considered to have more "masculine" qualities because he was hairy, liked to work outside and enjoyed hunting while Jacob might have seemed more feminine because he hung out with the women in the tents and had smoother skin. But while they had different personality traits, they still shared the same gender: they were still men. Eunuchs, men who had been castrated, were still considered men even though they did not have all the male biological parts anymore. In contrast, today's society would argue that if you were born a biological male, but feel feminine and have surgery to remove your male body parts, you can now be considered a woman. The Bible just doesn't support that type of self-understanding.

Again, Christians believe that our worldview is based on Biblical truth rather than on our own perception of reality. This applies to many areas of our lives—not just questions

PASTOR'S MESSAGE, CONTINUED FROM PAGE 1

surrounding gender. The Bible sets out sexual boundaries that some parts of society would have us believe are obsolete such as prohibiting premarital sex and adultery. Behaviors may have changed, but God's Word has not. The Bible also sets expectations for our attitudes that sometimes seem outdated in our culture such as opposing slander, greed and pride. Has the truth actually changed? I do not believe so. No matter what others may say or do, God's Word stays the same. We find our identity in Jesus

Christ alone.

Jesus once said, "Heaven and earth will pass away, but my words will never pass away." Before you start believing that everything you thought was true is no longer true, compare what you are hearing with the reality of God's Word. In John 8:31 Jesus said, "If you hold to my teaching, you are really my disciples. Then you will know the truth and the truth will set you free." Amen.

ANNOUNCEMENTS

Grief Share Meetings Begin Soon

We have been leading Grief Share Support Groups in this community for the past several years and are preparing to being another series. This is a comfort and support group to help people who are grieving the loss of a loved one. This series will begin Sunday, October 2, at 4:00 p.m. in the Parish Hall. There is no cost to attend this program. It is sponsored by a memorial to Emmanuel Lutheran Church in Fontanelle. It is Christian in nature, but is non-denominational. We sponsor this support group because we know that the loss of a loved one can be devastating. We understand that even if you are a mature Christian with a solid faith, you need ongoing comfort and encouragement during the grieving period. This program is structured as a weekly group that combines video teaching and small group discussion. If you question whether these sessions would be useful to you, you are welcome to attend the first session and see if the information would benefit you. You aren't obligated to anything whatsoever—we just wish for you to receive the help you need to deal with your grief. Anyone is welcome to attend this program, so if you know of someone who would benefit from a program like this, please let them know about it or tell us about them. Contacts:

Hello, from Denise Bridges, Emmanuel's new Youth Minister. I am so excited to be here and getting ready for my FIRST and the TWELVETH year of G.R.O.W. (God Rocks on Wednesdays).

It is so exciting to be the person to tell you to get ready for an amazing year. We can hardly wait to get things going again and, believe it or not, it's almost here! We have been so blessed to have served so many children and families both in our congregation and in the community! We continue to hope and pray that the GROW program will remain strong as we continue to grow the faith lives of our youth and help them be a strong member on God's team. We will be starting this year in September and am waiting for everyone to join us on **Wednesday, September 14** for our first amazing week and kick-off.

With G.R.O.W. right around the corner, I am beginning to get the volunteer list together and **at the same time get to meet many of you for the first time.** We are very much in need of any and all help we can get – whether that means helping one night or every night. I have the following **volunteer positions** open:

-Class Leaders (grades PreK through 6th grade; both male and female)

-Class Helpers (grades PreK through 6th grade; both male and female)

Sponsor a Sheep!

We are getting ready to start the G.R.O.W. program on Wednesday nights for all the kids in our congregation and community. We need your help to bring the word of God to all the kids who want to attend.

G.R.O.W. is a FREE program to our church members and community members. We believe helping a child to GROW in their faith and helping them to know God is the single most important thing there is. However, the reality is that this program does cost money. Each child is provided with a weekly meal, a t-shirt, activity supplies, and all 3rd grad-

-Substitutes to fill in when needed if an emergency comes up for a scheduled helper.

-Activity Coordinators (Come up with an activity to reinforce the night's lesson with a craft, big group game, or any other type of activity. We try to have activities for PreK-K, 1-4, and 5-6)

-Kitchen Help (Preparing the scheduled meal and getting it ready for serving. Then washing dishes when the kids finish eating)

If you see a way you are willing or able to volunteer, please let Denise Bridges or Pastor Broers know. You can reach Denise by phone or text at 712-789-0745, or emmanueliayouth@gmail.com or wait for my phone call. Volunteer positions can be scheduled once, monthly, 2-weeks a month, or weekly.

*We will again be having a **training session** for all G.R.O.W. volunteers. For this year's training we will gather as a group, enjoy a meal and some fun together, and go over our current procedures when it comes to behavior expectations at G.R.O.W. We need to make sure all G.R.O.W. volunteers that work with the kids get to the training session, so please make every effort to be there on **Wednesday, September 7 from 6:00-7:30 PM.***

G.R.O.W. begins on Wednesday, September 14st, and goes from 6:00-7:30 p.m. Please invite your children, grandchildren and neighbors to come learn, sing, eat, and have lots of fun while growing in their faith lives!

Though our G.R.O.W. program is offered free of charge, families that are able are encouraged to pay \$50 per child to cover the cost of supplies/supper over the course of the year. However, not all families are able to cover that fee, so you have the opportunity to help **"Sponsor a Sheep"**. Please include your check for \$50 in the offering plate with "GROW" in the memo line. We appreciate your support!

Please keep the GROW children and volunteers in your prayers as our new year begins. We want to see seeds planted, lives changed, and God shining through all of us. Thanks!

ers receive a Bible. Our congregation here at Emmanuel supports the G.R.O.W. ministry in their yearly budget. We are also asking you to take an active role to "Support a Sheep" each year. Our goal is to sponsor each child that takes part in our G.R.O.W. program. If you feel called to provide the \$50 to sponsor your child(ren) or another child from the community for the year, that's great, but it's not necessary! We don't want the cost to keep anyone from GROWing closer to Christ. Also, if you want to "Sponsor a Sheep", but the beginning of the year start off fees are a bit much right now, you can "Sponsor a Sheep" at any point in the G.R.O.W. year. Please understand that this is not a requirement—it's just an opportunity to help out. If you have any questions, please call Denise at 712-789-0745 or email her at: emmanueliayouth@gmail.com Thanks!

THANK YOU

Below are thank yous we received from students who benefitted from Emmanuel's Camp Counselor Stipend this summer.

Dear Emmanuel Lutheran Church,

Thank you so much for the camp counselor stipend! I had an amazing summer at Riverside and I can't wait to go back next summer! Working at camp was already my dream job, but this was an extra sweet perk! I plan to put the money I received into my college savings account. Thank you again for providing this amazing opportunity!

Sincerely, Brenna Kruse

To Who It May Concern,

Thank you for investing in those of us working at Okoboji this summer. Personally, I did not come to work at camp for the money. There never really is much money in ministry, but that's not what it's about. Getting to serve the Lord and His people is what matters. I knew that God would provide, so I trusted in Him. He certainly did through you. Thank you for your generosity and for believing so much in our mission at Okoboji.

This summer I learned that leading others spiritually is so much more fulfilling to me than it could ever be for the campers. Just getting to pour into people daily brought about a spiritual awakening like no other. The experiences I had at camp will stick with me forever. It's so rewarding having family campers tell me how much of an impact the week had on them or when day campers hug me so tight when it's time to say goodbye. These families/kids have no idea just how much they have impacted me.

Right now I am in my first year of college at Peru State in Peru, NE. It's only my second day here, and it's so different from camp. I was nervous about coming to a public college, but camp was such a fulfilling experience that I feel confident in who I am in Christ. Now I know I can go into the world and share the gospel with everyone. I developed habits that I will keep forever, and I can continue growing spiritually even away from camp. I'm an English Ed major, and I know I can impact my future students as well.

"Yet not I but through Christ in me."

-Katelyn Crawford
